

Cancer Prevention Trials Unit (Barts & The London School of Medicine and Dentistry, London)

Contact: Benoit Aigret

Email: b.aigret@qmul.ac.uk

Website: www.cptu.org.uk

How to obtain support: Email with enquiry at the above email address.

Areas of Research		
Disease Research Experience	Methodological Research Experience	Study Type Experience
Cancer	Statistical Methods Trial Design Biomarker Research Electronic data capture (EDC) Systematic Reviews & Meta-analysis	Epidemiology Prevention and screening Phase III/IV Clinical Trials of Investigational Medicinal Products (CTIMPs)

Cancer Research UK & UCL Cancer Trials Centre (University College London)

Contact: Allan Hackshaw

Email: ah@ctc.ucl.ac.uk

Website: www.ctc.ucl.ac.uk

How to obtain support: No formal procedure. Email with enquiry at the above email address.

Areas of Research		
Disease Research Experience	Methodological Research Experience	Study Type Experience
Cancer	Biomarker Research Outcomes Measures (including patient reported outcomes) Qualitative Research Systematic Reviews & Meta-analysis Trial Design	Disease Management Studies Epidemiology Experimental Medicine Feasibility Imaging Phase I CTIMPs Phase II CTIMPs Phase III CTIMPs Radiotherapy Screening Surgery

Imperial Clinical Trials Unit

Contact: Ms Annette Wilson & Dr Ruth Peters

Email: ictu@imperial.ac.uk

Website:
www3.imperial.ac.uk/clinicaltrialsunit

How to obtain support:

see website

Areas of Research		
Disease Research Experience	Methodological Research Experience	Study Type Experience
Cancer Cardiovascular Dementias & Neurodegenerative Disease Diabetes Infection Medicines for Children Mental Health Metabolic & Endocrine Musculoskeletal Other Respiratory Stroke	IT Systems (including eRDC) Recruitment & Retention Issues Statistical Methods Systematic Reviews & Meta-analysis Trial Design	Disease Management Studies Educational Epidemiology Experimental Medicine Feasibility Imaging Medical Devices Phase I CTIMPs Phase II CTIMPs Phase III CTIMPs Phase IV CTIMPs surgery

Intensive Care National Audit & Research Centre (ICNARC) Clinical Trials Unit

Contact: Dr Rachael Scott

Email: icnarc@icnarc.org

Website: www.icnarc.org

How to obtain support: Submit a query at least 4 weeks before any deadline for an application for funding to the above email address.

Areas of Research		
Disease Research Experience	Methodological Research Experience	Study Type Experience
Generic Health Relevance Infection Inflammation & Immune System Injuries & Accidents Oral & Gastrointestinal Other Respiratory	Complex Interventions Outcomes Measures (including patient reported outcomes) Qualitative Research Recruitment & Retention Issues Statistical Methods Systematic Reviews & Meta-analysis Trial Design	e-Health Epidemiology Feasibility Medical Devices Paediatrics Phase III CTIMPs Surgery

Kings Musculoskeletal Clinical Trials Unit (Kings College London)

Contact: Dr Anna Kowalczyk

Email: kch-tr.kms-ctu@nhs.net

Website:

www.kcl.ac.uk/schools/medicine/research/diuid/centres/ctu

How to obtain support: Email the above address with a brief overview of the study and the support requirements. No deadlines for submission.

Areas of Research		
Disease Research Experience	Methodological Research Experience	Study Type Experience
Inflammation & Immune System Musculoskeletal	Biomarker Research Complex Interventions Economic Evaluation IT Systems (including eRDC) Outcomes Measures (including patient reported outcomes) Qualitative Research Systematic Reviews & Meta-analysis Trial Design	Disease Management Studies Feasibility Imaging Phase II CTIMPs Phase III CTIMPs Phase IV CTIMPs

Medical Research Council Clinical Trials Unit (London)

Contact: not specified

Email: enquiries@ctu.mrc.ac.uk

Website: www.ctu.mrc.ac.uk

How to obtain support:

Email contact@ctu.mrc.ac.uk or the above email address with a brief description and the relevant person will respond

Areas of Research		
Disease Research Experience	Methodological Research Experience	Study Type Experience
Blood Cancer Dementias & Neurodegenerative Disease Infection Medicines for Children Mental Health Musculoskeletal Neurological Other Renal & Urogenital Respiratory Skin	Biomarker Research Complex Interventions Economic Evaluation IT Systems (including eRDC) Outcomes Measures (including patient reported outcomes) Qualitative Research Recruitment & Retention Issues Statistical Methods Systematic Reviews & Meta-analysis Trial Design	Diagnostics Disease Management Studies Epidemiology Feasibility Imaging Paediatrics Phase II CTIMPs Phase III CTIMPs Phase IV CTIMPs Radiotherapy Surgery

**Mental Health & Neurosciences
Clinical Trials Unit (Kings College
London)**

Contact: Ms Caroline Murphy

Email: c.murphy@iop.kcl.ac.uk

Website: www.ctu.co.uk

How to obtain support: No formal procedure. Email with enquiry at the above email address.

Areas of Research		
Disease Research Experience	Methodological Research Experience	Study Type Experience
Dementias & Neurodegenerative Disease Medicines for Children Mental Health Neurological Stroke	Complex Interventions Statistical Methods Systematic Reviews & Meta-analysis	Educational Feasibility Paediatrics Phase III CTIMPs Phase IV CTIMPs Psychological & Behavioural

**PRIMENT (MRC GPRF & UCL Primary
Care & Mental Health Clinical Trials
Unit (London))**

Contact: Ms Hannah Fenton / Siobhan Reilly

Email: sar@gprf.mrc.ac.uk

Website: www.priment.mrc.ac.uk

How to obtain support:
<http://www.priment.mrc.ac.uk/working-with-us.html>

Areas of Research		
Disease Research Experience	Methodological Research Experience	Study Type Experience
Cardiovascular Dementias & Neurodegenerative Disease Infection Mental Health Primary Care	Complex Interventions Recruitment & Retention Issues Trial Design	Disease Management Studies e-Health Epidemiology Feasibility Paediatrics Primary Care Screening

**London School of Hygiene & Tropical
Medicine (LSHTM) Clinical Trials Unit
(University of London)**

Contact: Ms Maria Ramos

Email: ctu@lshtm.ac.uk

Website: <http://ctu.lshtm.ac.uk>

How to obtain support: Need to complete and return the generic UKCRC Clinical Trials Units collaboration request form which can be requested at the above website. No formal deadlines

Areas of Research		
Disease Research Experience	Methodological Research Experience	Study Type Experience
Cardiovascular Dementias & Neurodegenerative Disease Diabetes Eye Generic Health Relevance Infection Inflammation & Immune System Injuries & Accidents Medicines for Children Metabolic & Endocrine Musculoskeletal Neurological Oral & Gastrointestinal Other Primary Care Renal & Urogenital Reproduction & Childbirth Respiratory Stroke	Complex Interventions Economic Evaluation IT Systems (including eRDC) Outcomes Measures (including patient reported outcomes) Qualitative Research Recruitment & Retention Issues Statistical Methods Systematic Reviews & Meta-analysis Trial Design	Diagnostics Disease Management Studies Educational e-Health Epidemiology Feasibility Medical Devices Paediatrics Phase II CTIMPs Phase III CTIMPs Phase IV CTIMPs Primary Care Psychological & Behavioural Screening Surgery

**Pragmatic Clinical Trials Unit (PCTU)
Bart & The London School of Medicine
and Dentistry**

Contact: Nancy Schumann

Email: n.shumann@qmul.ac.uk

Website: www.ihse.qmul.ac.uk/chspctu

How to obtain support: The initial request has to be received at least 6 weeks before the intended application's submission deadline. Email above address
